In case you haven't heard, Kelsall's new Wellbeing Hub will open in March 2022 to help local residents lead healthier, happier and longer lives.

This has only been made possible by the generosity of the local community which raised the funding for the building currently in construction adjacent to the new Medical Centre just off the village green.

Nearly three years ago, when assessing the feasibility of such a resource, you may have completed a questionnaire which provided a valuable insight into what you would like The Hub to be. Since then, however, many new people have joined our community and everyone's lives have been impacted

by the pandemic so we'd like to know your current priorities and views about wellbeing and what The Hub can do to help.

Your top priority from the previous survey was the provision of somewhere to **'DROP IN FOR A CHAT'** so we'd like to invite you to do just that at;

Kelsall Community Centre
Friday 17 September
2 – 7pm

Friday 17 September, 2 – 7pm

This will be the first opportunity to get a taste of what The Hub could feel and look like with demonstrations of the kind of activities it may offer such as yoga, seated exercise, gluten free cooking and a lot more. You'll be welcomed with **A FREE HOT DRINK AND SLICE OF CAKE** over which you can tell us what you need from The Hub and how and when you would like to use it. There will also be opportunities to get involved by joining the growing band of volunteers that are making The Hub happen. Your views are very important to us so, as a thank you for your input, all attendees will be entered into **A FREE DRAW TO WIN A £50 AMAZON VOUCHER**. Please fill in your details below to be entered.*
