

Brunning and Price to reopen the Morris Dancer

The Morris Dancer, Chester Road, Kelsall, Tarporley, Cheshire, CW6 0RZ

May. 2018

The doors finally opened to the public on Thursday 3rd May and we are thrilled with the response that we have received already. It has been heart-warming to hear the reaction of the locals who have welcomed us with open arms to their community.

Ryan is at the helm, along with a whole host of others new to the company from the local village or those from sister pubs to the Morris Dancer who have come across to form the new team.

Tony Collins heads up the kitchen team and has worked as the Combermere Arms Head Chef for many years, so is well versed in creating daily menus of fresh British dishes with a hint of the exotic from around the world.

“We have really enjoying creating our opening menu, finding some great new local suppliers and forming relationships. There are a few surprises in there – Artic Roll isn’t something you might imagine to see in our pudding range, but when it’s home made with white chocolate ice cream and a strawberry salad on the side, it’s certainly a bit different from the ones we remember from our youth”.

Ryan is looking forward to the Folk Festival which is just around the corner. “ It will be a great way of meeting new people within the village, we are thrilled to be open in time. I also love the idea of running beer festivals and evenings where customers can meet local brewers to find out more about their beers and taste what’s on offer locally. We are fortunate to have a wealth of brewers in the area to choose from – but let’s get our feet properly under the table first!”

BRUNNING AND PRICE INFORMATION

We are a group of 61 pub restaurants that were founded in the North West of England and North Wales, however, through popular demand and with the assistance of an A to Z we have now ventured further afield and have a substantial branch of the family in the South.

Each pub has its own style and flavour, though you'll find good cask beers, freshly cooked food, decent and affordable wine and a good shelf of malt whiskies throughout. We like to think we run informal places for people who like to meet, eat, drink and talk in a relaxed friendly atmosphere.
