

## **Brunning and Price to renovate The Lord Binning, Kelsall.**

Chester Rd, Kelsall, Tarporley CW6 0RZ

Brunning and Price are delighted to have taken on The Lord Binning in Kelsall, which closed its doors for the last time in May 2017.

“We are thrilled that we finally have the keys. We love its close proximity to Delamere Forest Park and that it sits within B&P Cheshire Heartland, close by to what will be its sister pub, the Dysart in Bunbury. Luckily we got wind that it was becoming available early on, and since then many Brunning and Price customers have been in touch to let us know it’s on the market, which reassures us that our first instincts were indeed correct. We think this will make a super B&P pub. We plan to sensitively transform the building into a welcoming pub restaurant, which we hope will find a place within the hearts of the locals.

We are still very much within the planning stage, but once reopened in early summer 2018, we aim to return the pub to its former name of the Morris Dancer, as this seems to evoke fond memories from those that we have spoken to.

We plan to breathe new life into the building, working through the winter to create a traditionally furnished pub with open fires and wooden floors, a bar laden with malts, gins and local ale and a kitchen set up to deliver fresh, classic British dishes. We are looking forward to making the most of what we think will be beautiful gardens complete with al fresco dining areas ready for the warmer months.

Nearer the time of opening, we’ll be looking for lots of local crew to work in the bar, waiting, kitchen and maintenance roles to create a team of around 40. At present we would love to hear from anyone who would like to be involved within the management and chef teams. To apply, for any role, please send your CV with a covering letter telling us about you and what makes you tick to [sarah@brunningandprice.co.uk](mailto:sarah@brunningandprice.co.uk).

We would also love to hear from anyone who has a link to the history of the building as we have a real passion to find out as much as we can about its history.”

### **BRUNNING AND PRICE INFORMATION**

We are a group of 60 pub restaurants started in the North West of England and North Wales, but now with a substantial branch of the family in the South.

Each pub has its own style and flavour, run very much by the local team who choose good cask beers, freshly cooked food, decent and affordable wine and a good shelf of spirits. We run informal places for people who like to meet, eat, drink and talk in a relaxed friendly atmosphere.
