

Community policing letter for Ashton Hayes, Duddon, Clotton, Hoofield, Kelsall, Mouldsworth & Tarvin. October - November 2012

**Ashton Hayes**

PCSO Netherton is arranging a 'Stranger Danger' session with the school children of Ashton Hayes primary school. We continue to enforce the 30mph speed limit through Ashton Hayes by using the speed gun when possible.

**Mouldsworth**

During October an allotment shed on Stable Lane has been tampered with on 2 occasions. If you see anything suspicious please report any suspicious activity to us by dialling 101.

We continue to enforce the 30mph speed limit through Mouldsworth near to Stable lane by using the speed gun when possible.

**Tarvin**

Youths wearing Tarporley high school uniform were seen to throw eggs at a property on Pitts Close on 2 occasions last week. If you know who is responsible please let us know by dialling 101.

On 24<sup>th</sup> October a property in Arden Close had a shed door forced. A petrol Stihl saw was stolen.

On 31<sup>st</sup> October a stone was thrown at a property on Hunters drive causing a window to smash. A group of unidentified youths were seen in the area around that time

**Kelsall**

We have taken a couple of reports of youths getting on the roof of Kelsall primary school. To prevent damage or injury please contact us if you see such activity by dialling 101.

On 26<sup>th</sup> October a property on Old Coach Road had its shed doors forced and an expensive pedal cycle stolen.

Fortunately a local resident spotted the cycle abandoned nearby and recovered it and contacted police who reunited the owner with his cycle.

An adult Raleigh Vulcan mountain bike was found on Common Lane near to Flat lane. If you have lost one please get in touch as we will only retain it for 28 days.

I have taken a couple of reports from concerned residents of Hall lane reporting suspicious activity in the fields situated just after the bridge on Hall lane where youths in vehicles occasionally congregating in vehicles. Please continue to report any sightings via telephone number '101' if you think the occupants are up to no good and we will continue to pay them a visit.

Lazy people continue to park on the double yellows outside Kelsall Co-op, hair salon and the greedy pig. I am sure a £30 fixed penalty ticket is not on your Christmas list so if this applies to you please park in the car parks nearby instead.

**Duddon**

We continue to enforce the new 30mph speed limit through Duddon by using the speed gun when possible.
